UPDATE: The City has adjusted our proposed modifications to Title 19, including the definitions of Junk/Salvage Yard and Wrecking Yard and removed the recommendation to require opaque fencing. Due to these adjustments to our modifications, we have extended the timeframe to receive public comment until Monday, March 4th. We strongly recommend that anyone who reviewed the proposal prior to Wednesday, February 14th review the proposals again.

We apologize for the inconvenience and thank the community members who brought inconsistencies to our attention.

To review all proposed changes and to submit public comment, please visit www.rawlinswy.gov/comment The proposed changes and comments can also be viewed at the Public Works office, located at 915 3rd Street, and written comments may be submitted in person, by email, or by US Mail.
